

# Helping the nation get back on its feet

---

On the 3rd March, our Marble Arch venue became a Covid 19 Vaccination Centre. It's now open 7 days a week, manned by 70 NHS staff and volunteers, who are busy administering up to 1,000 vaccines a day.

**Want to know how the venue's been repurposed?  
Here's a behind-the-scenes tour...**

relax**
